

Editorial Policy

Tamron publishes an integrated report as an important tool for communicating with shareholders, investors, and other stakeholders. The report contains information on medium- to long-term strategies and environmental strategies as a way to share details of Tamron's sustainability and growth potential. In compiling this report, we have referenced the Guidance for Collaborative Value Creation from the Ministry of Economy, Trade and Industry, and the International Integrated Reporting Framework from the International Financial Reporting Standards (IFRS).

- This report covers the period from January 1, 2024, to December 31, 2024 (including some information that falls outside the above period)
- The report concerns the 10 companies of the Tamron Group (including Tamron Co., Ltd.)

Note: Please refrain from reproducing the images or other information contained in this report without permission.
