

Notice of Extraordinary Impairment Loss

This is to notify that Tamron Co., Ltd. recorded an extraordinary impairment loss on the valuation of investment of the subsidiary of the company in the individual financial statements for the fiscal year ended December, 2018.

1. Outline of the Extraordinary Impairment Loss

Tamron Co., Ltd. recorded an extraordinary impairment loss of 859 million JPY on the valuation of investment in capital of TAMRON OPTICAL (VIETNAM) CO., LTD., a consolidated subsidiary of the company, in the individual financial statements for the fiscal year ended December 2018. The loss was due to the material decline in value of the investment in the consolidated subsidiary caused by its financial performance for the period.

2. Impact for the Consolidated Result for the ended December 2018

It had no impact on the consolidated result because the loss was eliminated on the consolidated financial statements.
