Reference Documents for the General Meeting of Shareholders

Proposal 1: Appropriation of Surplus

The basic policy of the Company is to continue the stable distribution of profits to shareholders with an emphasis on continual dividends with a dividend payout ratio of around 35% according to the operating results, while considering the necessity of strengthening the management structure and research and development and capital investment for the launch of a new business from a long-term perspective, among other necessities.

As a year-end dividend for the period under review, we intend to pay out dividends of 35 yen per share, a 10 yen increase from the previous business term, evaluating the results for the period under review and the aforementioned policy, etc.

As the Company paid an interim dividend of 25 yen per share in September 2018, the annual dividend will be 60 yen per share, with a dividend payout ratio of 35.8%.

- (1) Type of dividend
Cash
- (2) Matters concerning allocation of dividend and its total amount
35.00 yen per one common share of the Company
