

## Notice of Publication of Analyst Reports by Envalith, Inc.

Tamron Co., Ltd. (the “Company”) hereby announces that Envalith, Inc. (“Envalith”), an independent research firm, has released analyst reports on the Company, as follows.

These reports have been prepared based on research and analysis conducted from an independent third-party perspective. The Company has decided to disclose these reports as it believes they will help enhance shareholders’ and investors’ understanding of the Company’s business and its future growth potential.

Please note that the analyst’s views, professional assessments, and qualitative considerations included in these reports have been prepared by Envalith based on publicly available information of the Company and the macroeconomic environment, through its independent, objective, and neutral research and analysis, and have not been published by the Company. In addition, the Company has not been involved in the preparation of these reports and does not intervene in their contents.
